

**Pennies for Poverty:  
2 Cents 4 Change, Inc.**

The purpose of the Pennies for Poverty Program is fundraising, promoting volunteerism, and raising awareness about poverty in Newburyport, MA. The program is divided into four parts: 2 Cents, 2 Cans, 2 Hours, TOGETHER. The core reason the Pennies for Poverty Program exists is to lessen the current effects of poverty and crisis, while working simultaneously to eliminate the root causes of poverty and crisis in the future.

The Pennies for Poverty: 2 Cents 4 Change, a 501(c)3 non profit corporation, is run by volunteers on an annual budget of \$2,000. If you can afford to donate, help us out with a small contribution. If 200 people and businesses in Newburyport all donated just \$10 a year, we would have our budget covered! Anything above our expenses will be turned over to the 2 Cent Fund for the Grants. The Pennies for Poverty Program will not be saving up a “war chest” as we feel strongly that the extra money, above our expenses, needs to be available to help people.

If you would like to financially support the Pennies for Poverty: 2 Cents 4 Change campaign programs, send us a check made out to Pennies for Poverty and on the memo line write Pennies.

Or send a check for the 2 Cent Grant: One hundred percent of the 2 Cent Grant Fund is given out in grants to individuals or organizations that have new ideas to lift people out of poverty or to fund underfunded current programs. Make the check out to Pennies for Poverty and write “2 Cent” on the memo line.

**Two Cents for Change**

We are asking that everyone in Newburyport donate 2 cents a day to the Two Cents for Change Campaign. Two cents a day is \$7.30 per year which doesn't seem like much but the combined 2 cents of everyone in Newburyport would total \$125,000! One hundred percent of the 2 cent money raised will be given out in grants to service organizations or individuals to fund new initiatives that lift people out of poverty or help fund existing programs because of the current economic situation.

**Two Cans for Change**

Two Cans for Change is a program to increase awareness as well as increase donations to the food pantries in the area. We are encouraging everyone to donate at least 2 cans or non-perishables to any of the local food banks.

**Two Hours for Change**

We are asking that everyone volunteer two hours a month to an organization of their choice. Two Hours for Change will have an annual Volunteer Job Fair to bring together organizations and individuals.

**Together for Change**

We will be having free events throughout the year in order to raise awareness as well as community togetherness. Please watch the newspapers for announcements!

## Be a 2010 Common CENTS Gardener!

### The Common CENTS Gardens

Poverty in Newburyport is growing and the local food pantries and soup kitchens are increasing in need of additional food donations. One of the problems with poverty is not getting quality nutrition and not getting fresh fruit and vegetables. This is especially important for children in poor families as nutrition and adequate calorie intake is crucial in brain development, especially for children under the age of five.

The Pennies for Poverty: 2 Cents 4 Change decided to look into having a community vegetable garden, run by volunteers. The First Parish of Newbury has joined us on this important project and has agreed to donate a garden plot in the New Eden Garden. If you would like to help maintain the garden at First Parish, please fill out the middle part of the flyer.

If you have your own vegetable garden and would like to be a Common CENTS Gardener, please fill in the right hand column.

Please return to: Pennies - Common CENTS Garden, 282 High Street, Newburyport, MA 01950.
